

SUMMARY

Front-End Developer with 3 years of experience in creating dynamic, responsive web applications using HTML, CSS, and JavaScript. Skilled in React.js and Redux for building user interfaces and managing state. Proficient in version control with Git and UI/UX design with Figma. Dedicated to delivering high-quality, performant web solutions.

EDUCATION

Bachelor's Degree in Information Systems

Faculty of Arts, Mansoura University
2015 – 2019

SKILLS

- Proficient in HTML5, CSS3, and JavaScript (ES6+)
- Experienced with front-end frameworks such as React.js and state management with Redux
- Strong understanding of responsive design principles and cross-browser compatibility
- Skilled in version control with Git and collaborative tools like Figma
- Ability to translate UI/UX designs into high-quality code
- Strong problem-solving skills and attention to detail

PROFESSIONAL EXPERIENCE

Front-End Developer

[Alnahda Institute] | [2023] – Present

- Developed and maintained responsive web applications using HTML5, CSS3, and JavaScript (ES6+).
- Implemented user interfaces with React.js and managed application state with Redux.
- Collaborated with UX/UI designers to translate design prototypes into functional code.
- Optimized web performance and ensured cross-browser compatibility.
- Utilized Git for version control and participated in code reviews to maintain code quality

Junior Front-End Developer

[Market Online] | [2022] – [2023]

- Assisted in the development of dynamic web pages and user interfaces.
- Implemented responsive design techniques to improve user experience across devices.
- Collaborated with senior developers to enhance application features and functionality.
- Worked with tools like Figma to assist in UI/UX design and prototyping

Front-End Development Intern

[Tecno Masr] | [2021] – [2022]

- Supported the development team in building and testing web applications.
- Gained hands-on experience with front-end technologies including HTML, CSS, and JavaScript.
- Participated in team meetings and contributed to project planning and design discussions.
